

## Samsung Android Customer Client 2.2.4 Release Notes

October 21, 2014

### Enhancements:

- Added German language support for Samsung Android devices.

### Requirements:

The Bomgar Samsung Android Customer Client works with:

- Samsung Android phones and tablets running Android 2.3 or greater
- The device must be set to use the German language and the site set to support languages.
- Existing Bomgar installations, version 12.1.1 or greater. Must be on 14.3.1+ for German support.
- Support sites with a trusted CA-signed certificate on the appliance

### Notes:

- The Bomgar Samsung Android Customer Client is available for download in Google Play.
