

Integration Client 1.7.2 Release Notes

April 7, 2020

New Features and Enhancements:

- Added support for new SRA event types:
 - SessionMouseLeftClicked
 - SessionMouseRightClicked
 - SessionMenuOpened
 - SessionWindowOpened
 - SessionWindowClosed

Notes:

- Integration Client 1.7.2 is compatible with 18.1 and greater versions of the Secure Remote Access products.
- Metrics-DB Plugin 1.7.2 (199) is certified to work with Integration Client 1.7.2.
